

MYHHC

Hibbs-Hallmark & Company is proud to offer MyHHC as a new, secure interactive client service. Accessible through our website or on our free app.

Aside from the obvious benefit of saving storage costs, not to mention reams of paper, you now have policy documents and insurance certificates at your fingertips.

You can produce insurance ID cards, manage vehicle and property schedules and add or delete drivers. You can even report a claim.

If you're on the job site after hours and need an insurance certificate, you can provide one on the spot through MyHHC. Plus, every page of your policy is now easily accessible. Your friendly HHC staff is still available to help you and we made it even easier to reach them.

We encourage you to spend a few minutes learning all the ways MyHHC can make your life more efficient. We're confident that once you do, you'll never ask for this [printed copy in a large binder] again.
